16 July

Hello Skhawat Sir,

I am Dilnawaj, a JavaStack Developer with nearly 5 years of experience in Spring Boot and React JS. Please review my profile, as I am the sole male member of my family, and this job opportunity means a lot to me.

9:53 AM

Hi

My name is Skhawat Ali, Operations Manager at United Metal Solutions Group Inc, USA. United MSG is a USA based metal scrap

to write the code to reduce the turnaround time.

We will be conducting the physical interviews from next week and we will notify for the same by whatsapp or phone call, you can go through these points to better understand the scope over the weekend. Also, more information of the company is available at www.unitedmsg.com

My cell number is +1-917-654-1069, please only message if anything very urgent, or we can discuss all the things in the physical meetings starting next week at our office in Mohali Sector 66, Bestech Business Tower.
